

The mission of the United Nations Public Administration Network (UNPAN) is to promote the sharing of knowledge, experiences and best practices throughout the world in sound public policies, effective public administration and efficient civil services, through capacity-building and cooperation among the United Nations Member States, with emphasis on south-south cooperation and UNPAN's commitment to integrity and excellence.

UNPAN NEWS HEADLINES

Workshop on the "Next Stage in Open Government Data: Using Data for Transparency, Accountability and Collaboration"

DPADM/DESA, in cooperation with the Centre for Public Service Innovation (CPSI) of the Ministry of Public Service and Administration, South Africa, will organize an international capacity building workshop entitled "Next Stage in Open Government Data: Using Data for Transparency, Accountability and Collaboration", in Cape Town, South Africa, on 10-12 October 2012. The workshop will provide a platform to discuss issues surrounding open government data and enable participants to develop national strategies for publishing government data, implementation plans for publishing data and guidelines for monitoring and evaluating open data initiatives.

Launch of Handbook Titled "Information and Communication Technologies in Parliamentary Library"

The handbook titled "Information and Communication Technologies in Parliamentary Library" which is prepared by the DPADM project office, the Global Centre for ICT in Parliament was successfully launched and distributed to participants on 8 August, 2012, at a training session on strategic management of ICT in parliamentary libraries.

Participants also took part in the 28th Inter-Parliamentary Union and the International Federation of Library Associations and Institutions (IFLA) Pre Conference of Library and Research Services for Parliaments on the theme of "Parliamentary libraries – empowering parliaments and citizens" on 9 and 10 August, 2012. The training and pre conference were organized by DPADM through DESA, the Library of the Parliament of Finland and the IFLA Section on Library and Research Services for Parliaments.

The Handbook is available in pdf and ePub formats on the Global Centre for ICT in Parliament website at <http://www.ictparliament.org/handbook-libraries>
